We pride ourselves on having the best run organization and provide the ultimate in customer service to our teams and their sponsors.

As a sponsor of a team in the league, your benefits would include:
   - Creation of a graphic banner (business card size) for your business including your logo, & name.
     We prefer you supply your own graphic.
   - Placement of this banner on the Sponsors page.

With teams generally having 14-25 players each, you can see the potential number of viewers that would be exposed to your business. Please feel free to check out our website and view the many features we offer to our members … many of which are not offered by any other organization in this area.

For the 2023 Spring/Summer season the league fees will be $775. We always accept partial fees, advertising still included!

Sincerely,

Pete Benson
President/Commissioner
